Hello Mr. Skinnes,

This email is in response to your Public Records Act ("PRA") Request received on June 4, 2019. Under the PRA, the City, on its own, may extend the 10-day response period for up to 14 additional days because of the need to search for and collect the requested records, search for, collect, and appropriately examine a voluminous amount of records, to consult with other agencies having a substantial interest in the request, or, in the case of electronic records, to extract and compile data. Therefore, due to the nature of the request, the City will need additional time to search for, collect, and appropriately examine all records, and will respond to your PRA Request by June 27, 2019.

Thank you very much,

Records Request
